

**ARTICLE 24
PARKING**

A. GENERAL PROVISIONS

1. The University shall provide parking and parking-related services at each campus or the Laboratory to the same extent and under the same conditions as normally provided for other University staff employees at the employee's location.
2. It is understood and agreed that parking spaces designated for employees may from time to time be eliminated or reassigned due to construction, special events, and/or operational needs of the University.

B. PARKING RATES

1. If the University increases parking rates of other staff units in the fiscal years of 04-05, 05-06 and 06-07, AFSCME represented employees shall receive the lowest parking rates mutually agreed upon between the University and the represented staff units for corresponding parking services with the same access at a specific location. The agreed upon parking rates for the applicable fiscal year shall become effective at the time of agreement.
2. It is understood and agreed that parking permits for AFSCME employees may be issued to employees in accordance with the limitations resulting from the fees paid.
