PARTICIPATION TERMS AND CONDITIONS

Your Social Security number will be requested only when needed by benefit plan administration for financial reporting or to verify your identity, in compliance with federal and state law.

As a participant in UC-sponsored plans, you agree to the following terms and conditions:

1. Most of the medical plans that UC offers [including the medical portion of Anthem Blue Cross PLUS and Anthem Blue Cross PPO¹, Health Net, Western Health Advantage, and CIGNA Choice Fund], Core and High Option Supplement to Medicare (offered by Anthem Blue Cross Life and Health Insurance Company)¹, and Kaiser Permanente—CA require resolution of disputes through arbitration. With regard to each plan, ***it is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under the contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to the contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.*** For more information about each plan's arbitration provision, please see the appropriate plan booklet or call the plan.
2. UC and UC health plan vendors comply with the Health Insurance Portability and Accountability Act (HIPAA) and other federal/state regulations related to the privacy of personal information. To fulfill their contracted responsibilities and services, health plans and associated service vendors may share UC member health information between and among each other within the limits established by HIPAA and federal/state regulations for purposes of health care operations, payment, and treatment. A member's authorized restriction on the sharing of specified health information for health care operations, payment and treatment will be honored as required by HIPAA.
3. By making an election with your written or electronic signature, you are authorizing the University to take deductions from your earnings (employees)/monthly Retirement Plan income (retirees) to cover your monthly costs, if any, for the plans you have chosen for yourself and your eligible family members.
4. You acknowledge and accept all terms and conditions of the UC-sponsored plans in which you are enrolled as stated in the plan booklets and *UC's Group Insurance Regulations*.
5. If you enroll family members, the University and/or carrier may require proof of eligibility. Marriage or birth certificates, adoption papers, tax records, and the like may be requested. You agree to provide such documentation upon request.
6. If you enroll your eligible same-sex spouse or domestic partner and/or your same-sex spouse or domestic partner's eligible child(ren) or grandchild(ren), or if you enroll or have enrolled your natural or adopted child who is not claimed as your tax dependent, you acknowledge that the UC/employer contribution for their medical and/or dental coverage may be reported as income to you and (where appropriate) may be subject to FICA (Social Security and Medicare) and/or federal/state income tax withholding.
7. If you specifically ask UC representatives to intercede on your behalf with your insurance plan, University representatives will request minimum necessary health information required to assist you with your problem. If more protected health information is needed to solve your problem, in compliance with state privacy laws and federal laws, including HIPAA (Health Insurance Portability and Accountability Act of 1996), you may be required to sign

an authorization allowing UC to provide the insurance plan with relevant personal health information or authorizing the insurance plan to release such information to the University representative.

8. Actions you take during Open Enrollment will be effective the following January 1, unless otherwise stated.
9. You certify that all enrolled family members are eligible for coverage based on the definitions and rules specified in the UC publications, *Group Insurance Eligibility Factsheet for Employees and Eligible Family Members* and *Group Insurance Eligibility Factsheet for Retirees and Eligible Family Members*. You agree that you will de-enroll them within 31 days if they lose eligibility. You further certify that all the information you provide is true to the best of your knowledge, under penalty of perjury.
10. Making false statements about satisfying eligibility criteria, failing to notify the University of loss of eligibility within 31 days of such loss, or failing to provide documentation when requested will lead to de-enrollment of the family members and possible legal action. In addition, employees/retirees may be subject to disciplinary action (e.g., loss of health benefits for up to 12 months) and will be responsible for any employer contributions to and benefits paid by the plan for the ineligible coverage.

CONTINUATION PRIVILEGES

For opposite sex spouse, natural or adopted child, stepchild, legal ward, other child, and/or grandchild

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provides for continued plan coverage for a certain period of time at monthly rates if you or your eligible family members lose group medical, dental, or vision coverage because you die, divorce or are legally separated, or because a child ceases to be eligible. Call your Benefits Office for more information.

For same-sex spouse, domestic partner, same-sex spouse or partner's child/grandchild, and/or adult dependent relative²

While not required under COBRA, UC's health carriers have agreed to provide for continued coverage for an eligible same-sex spouse, domestic partner, and/or a same-sex spouse or partner's child/grandchild, or an adult dependent relative enrolled by 12/31/03. Coverage may continue for a certain period of time at specified monthly rates if you or your eligible family members lose group medical, dental, or vision coverage because you die, divorce or are legally separated, your relationship with an adult dependent relative or a domestic partner ends, or because an adult dependent relative or a same-sex spouse or partner's child/grandchild is no longer eligible for coverage. Call your Benefits Office for more information.

WHEN ELIGIBILITY ENDS

For same-sex spouse, domestic partner, same-sex spouse or partner's child/grandchild, adult dependent relative²

UC-sponsored group insurance coverage stops at the end of the month the dependent is no longer eligible. UC requires the employee/retiree to provide the adult dependent relative, same-sex spouse or the domestic partner with a copy of this cancellation form. For medical and dental plan continuation coverage, the same-sex spouse, adult dependent relative or domestic partner should call the UC Customer Service Center (1-800-888-8267).

¹ Anthem Blue Cross is the trade name of Blue Cross of California. Anthem Blue Cross and Anthem Blue Cross Life and Health Insurance Company are independent licensees of the Blue Cross Association.

² An adult dependent relative is eligible to continue UC-sponsored medical and dental coverage if enrolled by December 31, 2003, and coverage is continuous. Your adult dependent relative must not be eligible for Medicare Part A.

HIPAA (Health Insurance Portability and Accountability Act of 1996) Notification for Medical Program Eligibility

If you are declining enrollment for yourself or your eligible family members because of other medical insurance or group medical plan coverage, you may be able to enroll yourself and your eligible family members³ in a UC-sponsored medical plan if you or your family members lose eligibility for that other coverage (or if the employer stops contributing toward the other coverage for you or your family members.) You must request enrollment within 31 days after your or your family member's other medical coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a newly eligible family member as a result of marriage or domestic partnership, birth, adoption, or placement for adoption, you may be eligible to enroll yourself and your eligible family member(s). You must request enrollment within 31 days after the marriage or partnership, birth, adoption, or placement for adoption.

If you do not enroll yourself and/or your family member(s) within the 31 days when first eligible, you may enroll at a later date. However, each member will need to complete a waiting period of 90 consecutive calendar days before medical coverage becomes effective, or you/they can enroll during the next Open Enrollment Period.

To request special enrollment or obtain more information, contact the UC Customer Service Center.

Note: If you are enrolled in a UC medical plan, you may be able to change medical plans if:

- you acquire a newly eligible family member; or
- your eligible family member loses other coverage.

In either case, you must request enrollment within 31 days of the occurrence.

³ **To be eligible for plan membership you and your family members must meet all UC eligibility requirements for coverage as stated in the *Group Insurance Eligibility Factsheet for Retirees and Eligible Family Members*. As a condition of coverage, all plan members are subject to eligibility verification audit by the University and/or insurance carriers.**
